HEALTH AND SAFETY

Minimize your risk

Perfect for

Hotels
Hospitals
Restaurants
Food Handlers
Offshore/ Shipping

Minimize your waste of time, space and money

- 10:1 compaction
- Improves security and safety
- Low on noise, low on energy
- Air-powered, clean and hygienic
- Fixed frame unit & sliding wagon
- Suitable for kitchens & offshore environments
- Compact general, kitchen and hazardous waste

Ideal for small, indoor environments, Mil-tek X-Press compactors are tough, durable and can handle all forms of general black bag waste including food, fluids and hazardous waste, compacting by a ratio of up to 10:1.

The Mil-tek X-Press 300 waste compactor is extremely flexible and suitable for multiple waste streams across a wide variety of locations including kitchens, food preparation sites, hospitals, offices, and general waste areas.

The fixed frame unit and sliding wagon allows the X-Press 300 to be securely bolted in place making it ideal for shipping, offshore environments or uneven surfaces.
